Re: **340B Holdings, LLC d/b/a SUNRX v. Matthew Bobo et al.; No. 1:20-cv-00197-RP**
Proposed Order Regarding Expedited Discovery

Dear Judge Pitman:

Based upon the Court's comments during the March 16, 2020 Status Conference, Defendants' counsel drafted the attached Order Regarding Expedited Discovery (the "**Proposed Order**"), and hereby respectfully submits same for the Court's consideration. As discussed at the Status Conference, the Proposed Order calls for alternating depositions—beginning with a deposition to be taken by the Plaintiff of Mr. Bobo. Proposed Order at ¶ 5.

Defendants' counsel presented the Proposed Order for comment to Plaintiff's counsel shortly after the conclusion of the Status Conference. Plaintiff's counsel responded as opposed to the order of depositions in the Proposed Order, on the grounds that the specific order of witnesses was not explicitly agreed during the Status Conference. Defendants' counsel is of the opinion that the Proposed Order is consistent with the parties' prior discussions concerning scheduling, and with the comments made during the Status Conference.

Consequently, Defendants' counsel respectfully requests the Proposed Order be entered by the Court.

Respectfully submitted,
